The diagram illustrates the control system for the CK72/5-TS/SK-Robo-MAG. It shows a sequence of components from X10 to X11, including relays, switches, and a BCD-to-Code converter. The diagram is divided into two main sections: a left section with components X10, X11, and X12, and a right section with components X13, X14, and X15. The left section includes a BCD-to-Code converter and a switch labeled 'Nur bei CK72/5-TS/SK-Robo-MAG'. The right section includes a switch labeled 'Drehst ja'.
